**RE: Notice of Closure Regarding Pharmacy Remittance Advices**

Dear Aaron:

By Notice of Action dated March 23, 2018, Healthy Blue Louisiana (HBL) was notified of its failure to submit a sample of remittance advices (RAs) sent to independent, chain and specialty pharmacies by the pharmacy benefits manager to LDH on a quarterly basis. The required sample was to include at least 10 RAs from each pharmacy type as required by Section 17.4.4 of the contract between HBL and the Louisiana Department of Health (LDH).

HBL was given until March 28, 2018, to demonstrate compliance with the contract. HBL has demonstrated compliance, so this matter will be closed. Should HBL fail to submit a sample of remittance advices (RAs) on a quarterly basis in the future, as required by the contract, LDH reserves the right to impose penalties in accordance with Section 20 of the contract.

Please do not hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Stacy J. Guidry".
